PROFESSIONAL PROFILE

Front End Developer with a passion for creating robust web applications. Seeking a challenging position in a dynamic organization where I can utilize my technical expertise and contribute to the success of the team.

WORK EXPERIENCE

Front End Developer

Dec 2022 - Till Date

(SITH Infotech Pvt. Ltd.)

- Developed responsive and interactive web applications using React.js, JavaScript (ES6+), and HTML/CSS.
- Built interactive user interfaces with React.js, optimizing components for performance and scalability..
- Translated UI/UX wireframes into fully functional web interfaces, optimizing for performance and accessibility.
- Collaborated with the development team to address database-related issues, emphasizing minimal downtime and efficient problem resolution.
- Streamlined development processes by utilizing reusable components and leveraging the Bootstrap grid system for responsive design.
- Integrated Node.js back-end services to fetch and display data in the front end via APIs.
- Managed version control and project collaboration using Git, ensuring efficient development workflows and continuous integration..
- Actively participated in code reviews, providing constructive feedback for high code quality and maintainability.
- Stayed updated on industry best practices, trends, and adopted new technologies for a cutting-edge approach in application development.
- Expertise in Node.js complementing React.js and MongoDB skills for end-to-end development and seamless integration.
- Deployed and maintained front-end applications, ensuring they meet performance and user experience standards.
